### **Orange Wireless Network Opens in Prince Frederick, Md.**

**PRINCE FREDERICK, Md. – August 19, 2011** – Orange Wireless Network (OWN), recently opened in Prince Frederick, now offers Southern Marylanders an alternative to typical cell phone service.

OWN provides inexpensive monthly service plans with no contracts and unlimited talk, text and Web service for \$50 per month along with corporate discounts. Owner Jon Glass says, “We offer what nearly every consumer wants – good phone service and low unlimited monthly plans on a nationwide network.”

The store carries Bluetooth devices, accessories, Android phones and, for businesspeople, dual SIM card phones that allow two phone numbers on one phone. OWN is also the only carrier that allows iPhone purchases without a contract.

OWN offers a unique monthly residual fundraising program that can provide financial assistance to clubs, schools or other organizations simply by using its nationwide cell phone service. “This is a way to fund projects, camps, tournaments, uniforms and equipment all year long,” says Glass. “It’s a dedicated program that gives a percentage of our profits to support the financial needs of our community and that’s something I’m really proud to offer.”
