### **Calvert County to Hold Household Hazardous Waste Collection Day** *Sept. 14 Event Offers Free Waste Disposal for County Residents*

**PRINCE FREDERICK, Md. – Aug. 15, 2013** – The Calvert County Department of Public Works, Division of Solid Waste, is hosting a household hazardous waste collection day on Saturday, Sept. 14, 8 a.m. to 2 p.m. at the Mt. Hope Community Center at 104 Pushaw Station Road in Sunderland. The event will give Calvert County residents the opportunity to safely dispose of hazardous substances free of charge.

During the collection day, a licensed contractor will collect household hazardous waste for proper disposal. Collection is limited to Calvert County residents only and proof of residency is required. Waste from commercial businesses is prohibited.

The service ensures that Calvert County meets all state and federal requirements with regard to the safe collection of household hazardous waste.

Hazardous waste commonly found in the home includes materials such as oil-based paints, pool chemicals, solvents, fertilizers and other items usually labeled with the words “DANGER,” “POISON,” “TOXIC” or “WARNING.” These items should be separated from regular household trash and disposed of in an environmentally friendly way. Latex paint, however, is not hazardous and may be thrown out with regular trash once it has dried and will not be accepted. Small amounts of latex paint can be left to dry in an open can. Larger amounts can be combined with oil absorbent, kitty litter or paint hardener until it is hard.

County residents may drop off trash, recyclables and certain other materials at customer convenience centers and the Appeal Landfill, including motor oil and oil filters, antifreeze, propane tanks, fire extinguishers, batteries, electronics and various types of light bulbs.

Hazardous waste collection days are held four times a year in Calvert County – one Saturday in March and September at the Mt. Hope Community Center and one Saturday in June and November at the Appeal Landfill.

For more information, call the Calvert County Department of Public Works, Division of Solid Waste, at 410-326-0210 or visit the Calvert County website at [www.co.cal.md.us/hazardouswaste](http://www.co.cal.md.us/hazardouswaste) for a full listing of materials accepted.
