Angels of Care Offers In-Home Assistance to Seniors, People with Disabilities

PRINCE FREDERICK, Md. – Oct. 9, 2013 – A new home care company in Calvert County offers senior citizens and individuals with disabilities a way to remain safe in their own homes.

Angels of Care In-Home Senior Care, located at 250 Merrimac Court, Suite 2, in Prince Frederick, employs nurse aids and a registered nurse to assist the elderly and individuals with disabilities with activities of daily living including personal care, companionship care, light housekeeping, transportation and medication management.

The owners of the company, Ryan Friedman, Tyler Stott and Matthew Wozniak, have been friends since they were in elementary school together in Montgomery County. The three friends now have nearly 40 employees working for the company and the Prince Frederick office is the third location for the business. The first office was opened in January 2012 in Annapolis and the second office in Montgomery County opened in October 2012.

Caregivers are licensed and bonded, which Stott said he hopes gives clients a level of comfort. His wife, Mattie Weems Stott, is a licensed clinical social worker and is in charge of coordinating care.

“We employ local care providers who are invested in the community,” Tyler Stott said, and more employees will be sought as the business grows.
