### **Workshop to Highlight Business Opportunities Related to Cove Point Plant Expansion**

**PRINCE FREDERICK, Md. – Feb. 19, 2014** – The Calvert County Department of Economic Development, the Bay Business Group and the Calvert County Chamber of Commerce are teaming up to provide a workshop on Thursday, March 6, 9 to 11:30 a.m. for business owners who want to take advantage of opportunities presented by the proposed expansion of the Dominion Cove Point Liquefied Natural Gas Terminal.

The workshop will be held at the College of Southern Maryland Prince Frederick campus, Building B. The event is free, but participants can register by emailing [info@ecalvert.com](mailto:info@ecalvert.com) or calling 410-535-4583. The event will be beneficial for contractors who want to get involved with the expansion project; vendors of construction products; and businesses offering services that might be useful during the construction.

If the Dominion Cove Point expansion project is approved it is expected to bring approximately 3,000 jobs to Maryland at the peak of construction and promises to be one of the largest construction projects in Maryland's history. Dominion has hired IHI/Kiewit Cove Point, a joint venture of IHI E&C and Kiewit Energy Company, as its engineering, procurement and construction contractor.
