Calvert County Information is at Your Finger Tips with MyCalvertMaps

PRINCE FREDERICK, Md. – April 30, 2014 – Take a virtual tour of Calvert County's natural resources, plan a weekend hiking trip or see how the county has changed over the last 100 years using [MyCalvertMaps](#), a new online, interactive geographic information system featuring powerful maps that easily run on any desktop computer, tablet or mobile device.

[MyCalvertMaps](#) include a wealth of information available at the click of a mouse or tap of a mobile device screen. Users can find historic sites, demographics, flood plain information and even the locations of recreation areas like boat launch sites, sports fields and parks.

Historic Sites Map – Calvert County's rich history is a click away with the online Historic Sites Map. From designated historical sites to roadside signs, driving tour info and more, this interactive map brings history alive.

Property and Topography Map – View county properties, tax assessment information and regional topography with the online Property and Topography Map. Whether you are looking to buy a property or are just curious, this interactive map gives you a new perspective on the county.

Facilities Guide – If you are new to the county or just need to find something new to you, the Facilities Guide map is a great resource. Find schools, libraries, community centers, local government buildings and more, including links to additional information.

~ more ~

Critical Area Map – The Chesapeake Bay Critical Area was established to help protect our local waterways. Do you live near the Critical Area? The county’s Critical Area Map can show you and help you comply with Critical Area regulations.

Flood Hazard Map – Calvert County is surrounded by water and local property owners need to know their flood risk. The county’s Flood Hazard Map can help. It shows flood zones adopted in 2011 as well as the 2014 preliminary update.

Recreational Facilities Map – From sites for hiking, fishing and horseback riding to public boat launches, sports fields and more, the county Recreational Facilities Map can help you get out and get active.

Demographic Map – Check out the county’s Census and Demographics Map for details on population distribution, demographic profiles, housing information and much more.

Voter Map – With the county’s Voter Map you will find the boundaries of congressional, state and county election districts, along with your precinct and polling place.
