**Job Fair Helps High School/College Students Find Jobs**

**PRINCE FREDERICK, Md. – Jan. 2, 2015** – The Calvert County Parks and Recreation Division will hold its 10<sup>th</sup> annual Student Job Fair on Feb. 4, 2015, in Chesapeake Beach, Md. High school and college students are encouraged to tighten up their resumes and attend the event from 1-4 p.m. at the Northeast Community Center.

Local businesses that are looking for hard-working student employees to fill summer and seasonal positions are also encouraged to participate in the fair.

“Every year I am so impressed by how prepared and professional the students are who attend this fair,” explained Paul Lundberg, parks and recreation assistant coordinator. “The business owners who return to the Student Job Fair year after year tell us that they get more quality recruiting done in these four hours than they get done all year long.”

The Northeast Community Center is located at 4075 Gordon Stinnett Ave., Chesapeake Beach, Md. For more information about the fair and to reserve a space for your business, please call 410-257-2554.
