### Free Rabies Vaccinations for Pets Available at Upcoming Clinics

**PRINCE FREDERICK, Md. – March 21, 2016** – The Calvert County Health

Department is sponsoring rabies clinics in the coming weeks, offering free rabies vaccinations for county pets.

The free clinics are scheduled as follows:

- Saturday, April 9, Northern High School, 2950 Chaneyville Road
- Saturday, April 16, Huntingtown High School, 4125 Solomons Island Road
- Saturday, April 23, Patuxent High School, 12485 Southern Connector Blvd.

Clinics will be held from 10 a.m. to noon. Proof of prior vaccination is required to receive the three-year vaccine. Eligible pets include cats, dogs and ferrets in carriers or on leashes and muzzled if necessary. This is an open-air clinic with no special facilities to vaccinate animals that cannot be restrained (feral animals or stray animals) by their owner.

Calvert County pet licenses will also be available at the rabies clinics. Pet licenses are \$7 for spayed or neutered pets (proof required) and \$20 for those not spayed or neutered. A Calvert County pet license must be renewed every year and is required for all cats and dogs five months and older.

For more information, call the Calvert County Health Department at 410-535-5400 or 410-535-3922. Visit online at [www.calverthealth.org](http://www.calverthealth.org).

###

*Calvert County is Maryland's smallest county in land area with 213 square miles. It is home to more than 90,000 people and has one of the highest standards of living in Maryland. Major industries include defense contracting, information technology, tourism, energy, advanced manufacturing and administrative services.*
