Second Round – First Revisions to the Creation of An Accountability Board and Charging Committee

As a community leader, we reached out previously to be sure your perspective was welcome to the conversation on the creation of a Police Accountability Board and an Administrative Charging Committee. The duties and functions of the Calvert County Police Accountability Board (“CCPAB”) and the Calvert County Administrative Charging Committee (“CCACC”) are prescribed by the State law, so we’ve focused on attaining a balanced representation of diverse backgrounds and experiences to execute those powers and duties.

Feedback was solicited through U.S. Postal Service, social media, and web-based comments and surveys. All input received was, and remains today, available for public review and scrutiny on the County website at: CalvertCountyMD.gov/PAB.

Based upon the responses received, it was necessary to revise the initial draft. Today, we solicit additional input regarding the revised proposal. Please find attached two (2) documents. One tracks the changes from the prior version with the words removed be ~~stricken through~~, and the added text is underlined. The second document reflects the acceptance of all the changes from the prior draft.

Written comments are always welcome to my attention at 175 Main St., Prince Frederick, MD 20678. A web-based comment section will be opened under the heading “Second Round” at: CalvertCountyMD.gov/PAB. Finally, a second community meeting to take comments and answer questions relevant to this draft is scheduled for **Thursday, December 9, 2021, 7:00 p.m. at Calvert Pines, 450 West Dares Beach Rd., Prince Frederick, MD 20678.**

Your input is needed again and sincerely appreciated. Comments will be accepted through close of business on **Wednesday, December 15, 2021** so that we can report back to the County Commissioners the feedback received from this revised draft. I remain,

Very truly yours,

John B. Norris, III
County Attorney
